

### **K9 Patrol Ltd registers staff with Linden Management for QCF in Providing Security Services.**

Lee Chandler at K9 Patrol approached Linden Management to assist him with continual development and training of his staff specifically within his static and patrol canine security services.

Dawn-Marie Lesh at Linden Management started working with Lee and his team on a training programme, while achieving the Qualification and Credit Framework (QCF) for Providing Security Services Level 2, Certificated by City & Guilds and funded through Linden Management in partnership with Vision West Notts, Linden Management also provided a 2 day Canine First Responder training course as part of this programme.

### **K9 Patrol delivers comprehensive canine security and provides clients with valuable peace of mind throughout Yorkshire.**

K9 Patrol specialise in canine security and mobile security manned guarding. Each accredited dog and handler work together as a team to prevent loss, criminal intent and disruption of business.

### **K9 Patrol & Linden Management had a Quality, Teaching, Learning & Performance observation conducted in October 2011 by Julie Leone of Vision West Notts.**

This was an observation of the quality of teaching by Linden Management and graded for the quality of the learners' experience. The observation took place while Dawn-Marie Lesh was conducting a training day for the learners completing the Qualification.

#### **Lee Chandler, Director of K9 Patrol commented:**

*Since working with Dawn at Linden Management I have noticed that the K9 handlers work more efficiently and take pride in their role when patrolling sites. We are both very passionate about carrying out continuous training and encourage all of the handlers to participate; this allows them to demonstrate their skills and knowledge whilst enjoying their training while continually updating their skills.*

#### **Julie Leone, learning consultant at Vision West Notts commented:**

*"Learners found the training extremely useful and it has certainly improved their dog-handling skills. They learnt a lot from each other by observing various scenarios and their confidence had noticeably increased by the end of the sessions. Lee Chandler spoke very highly of Dawn-Marie of Linden Management and the way she conducted the training."*

#### **Dawn-Marie Lesh, Assessor from Linden Management commented:**

*'I work closely with K9 Patrol Ltd ensuring all handlers work towards the QCF standards. Lee and I regularly carry out continuous training this allows us the opportunity to assess the dog and handler to the current legislation and procedures to the relevant criteria. The training and the QCF raises their standards, professionalism and allows the candidate to demonstrate their working ability as a dedicated canine handler team. K9 Patrol Ltd have benefited from the team training exercises this has helped to develop the dog and handler bond, boosting moral when carrying out operational patrols.'*
