Key Building Supplies complete NVQ Warehousing & Storage Level 2

What is the qualification about?

The Warehousing and Storage NVQs provide recognition of the skills and knowledge needed to work in or develop, a career in this sector. These qualifications cover the range of activities carried out by staff working within warehouse and storage. Units range from operating equipment and safety at work to processing orders and managing the receipt and dispatch of goods.

Benefits of the Qualifications Warehousing and Storage NVQs benefit both employers and employees in a variety of ways.

For employers the qualification can:

- Improve business performance and help win contracts
- Maximise company profits and revenues
- Reduce costs, variation and waste
- Assist with recruitment and staff retention
- Boost employee morale and motivation
- Demonstrate the quality of the workforce to existing and potential customer
- Help reduce workplace accidents

For employees the qualification can:

- Provide evidence of ability to do a particular job
- Help improve career development/ promotion chances
- Give a sense of achievement
- Be gained on the job
- Be completed at a time and place to suit

For more information about the products Key Building Supplies can provide visit the website:

www.keybuildingsupplies.com

Key Building Supplies Limited can supply and deliver to both trade and the domestic markets for all building and gardening supplies from trade requirements through to individually designed and landscaped gardens.

Trevor Bilby started the business in 1983 and continues to show his commitment to Health & Safety by allowing his staff to enrol on this NVQ.

Candidates who completed the qualification are:

Sandra Challands	Mark Challands
Julie Leary	Marilyn Bilby
David Bettison	Andrew Roberts
Patrick Garbett	Adrian Smith
Jason Blacknell	Mark Padgett

We would like to thank everyone at Key Building Supplies for allowing Linden Management to continually support them with Health & Safety & Training
