Lemon Path Limited take part in Health & Safety Training

Funded through Women & Work: Sector Pathways Initiative for Food & Drink Industry

In response to recommendations made in the report Women and Work - 'Shaping a Fairer Future', the government is investing £10 million to provide skills training, development and support for women in sectors where they are currently under-represented.

The specific aims of the programme are to:

- raise recruitment levels
- increase earning potential
- aid career progression

The project was provided by Linden Management in partnership with:

“Women have a crucial role to play in the future of the food and drink industry, and now is a great time to give your career a kick-start.”

Clare Keegan, Projects and Opportunities Manager, Improve

Lemonpath has been a continued customer of Linden Management for support with Health & Safety & BRC for almost 5 years so when the opportunity for funded training through Linden Management presented itself Chris Antliff agreed to 16 members of his team enrolling on the scheme with Linden to improve both staff knowledge and morale.

Lemonpath is a full service logistics provider specialising in Contract packing.

Currently occupying in excess of 200,000 sq ft of warehousing space offering a full warehousing facility to its client base including imports, storage, contract packing, pick/pack and UK/European distribution.

Lemonpath operate in a number of market sectors including fashion, food, retail, gift, garden, print, point of sale, DIY and wholesale.

Lemonpath take pride on offering a first class service providing solutions to both our contract packing and logistic clients.

Lemonpath continue to show commitment to Health & Safety by enrolling staff with Linden Management for Health & Safety training, raising the standard of training within the Food Packaging Industry.
